Independent Company Secretary certificate (PCS) on Corporate Governance

To
The Members of,
Venlon Enterprises Limited

I have examined the compliance of conditions of Corporate Governance by **VENLON ENTERPRISES LIMITED** ("the Company") for the year ended 31st March, 2019, as stipulated in Regulations 17 to 27 and clause (b) to (i) of Regulation 46(2) and paragraphs C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended ("Listing Regulations").

Management's Responsibility

The compliance of the Corporate Governance Report is the responsibility of the Management of the Company including the preparation and maintenance of all relevant supporting records and documents. This responsibility also includes the design, implementation and maintenance of internal control relevant to ensure the compliance with the conditions of Corporate Governance as stipulated in the Listing Regulations, issued by the Securities and Exchange Board of India.

PCS Responsibility

My examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the terms and conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the Financial statements of the Company.

I have examined the books of accounts and other relevant records and Documents maintained by the Company for the purposes of providing reasonable assurance on the compliance with Corporate Governance requirements by the Company.

Pursuant to the requirements of the Listing Regulations, it is my responsibility to provide a reasonable assurance whether the Company has complied with the conditions of Corporate Governance as stipulated in Listing Regulations for the year ended 31st March, 2019.

I have carried out an examination of the relevant records of the Company in accordance with the Guidance Note on Certification of Corporate Governance issued by the Institute of the Chartered Accountants of India (the ICAI), the standards on Auditing specified under Section 143(10) of the Companies Act 2013, in so far as applicable for the purpose of this certificate and as per the Guidance Note on Reports or Certificates for Special Purposes issued by the ICAI which requires that i comply with the ethical requirements of the Code of Ethics issued by the ICAI.

I have complied with the relevant applicable requirements of the standard on quality Control (SQC) 1, quality Control for firms that Perform Audits and Reviews of Historical Financial Information and Other Assurance and Related services Engagements.

Opinion

Based on my examination of the relevant records and according to the information and explanations provided to us and the representations provided by the management, i certify that the Company has complied with the conditions of Corporate Governance as stipulated in regulations 17 to 27 and Clauses (b) to (i) of Regulation 46(2) and para C, D and E of schedule V of the Listing Regulations during the year ended 31st March, 2019.

I further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Restriction on use

This certificate is issued solely for the purpose of complying with the aforesaid regulations and may not be suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT

To the Members of Venlon Enterprises Limited

Opinion

We have audited the standalone financial statements of Venlon Enterprises Limited ("the Company"), which comprise the balance sheet as at 31st March 2019, and the statement of Profit and Loss, statement of Changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Indian Accounting standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind As") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, the loss, and total comprehensive income, changes in equity and its and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

I draw attention to note xxvii, xxviii, xxix, xxx, xxxi, xxxii, xxxiii, xxxiv of the financial statements, which deals about going concern and discontinuing operation and reconciliation, exceptional items, stock valuation, assets held for sale and other comprehensive income.

The financial statements indicate that the Company has accumulated losses and its net worth has been fully eroded. The Company has incurred cash loss during the current year and previous year and the Company's current liabilities exceeded its current assets as at the balance sheet date. The financial statements of the company have been prepared on a going concern basis for the reasons stated in Note 27 (XXVII) other additional notes/information to the financial statements. In my opinion Internal Audit reporting system is inadequate and it needs to be strengthened.

Our opinion is not modified in respect of the matter.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, were of most significance in my audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the Other Information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report, Corporate Governance and shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

My opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or my knowledge obtained during the course of My audit or otherwise appears to be materially misstated.

If, based on the work we have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, comprehensive income, statement of changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind-AS. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

1. As required by Section 143(3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

(b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

(c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

(d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014

(f) On the basis of the written representations received from the directors as on 31st March, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.

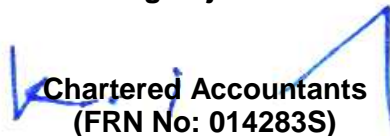

(g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

(h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements.
- ii) The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
- iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

Annexure “A” to the Independent Auditor’s Report

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Venlon Enterprises Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Venlon Enterprises Limited (“the Company”) as of March 31, 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

According to the information and explanations given to me and based on my audit, the following material weakness have been identified as on 31st March 2019.

- a) Internal Audit reporting system is not adequate and needs to be strengthened.
- b) Cost records and Inventory valuation needs to be strengthened in the accounting software maintained by the Company.

I have considered the material weakness identified and reported above in determining the nature, timing and extent of audit tests applied in my audit of the March 2019 standalone financial statements of the Company and these material weakness does not affect my opinion on the standalone financial statements of the Company.

I believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Annexure 'B' to the Independent Auditor's Report

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of VenlonEntrprises Limited of even date)

i. In respect of the Company's fixed assets:

- (a) The Company has not maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The Company has a program of verification to cover all the items of fixed assets in a phased manner which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain fixed assets were physically verified by the management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification. However the process of verification has to be strengthened.
- (c) According to the information and explanations given to us, the records examined by us and based on the examination of the conveyance deeds/registered sale deed provided to us, we report that, the title deeds, comprising all the immovable properties of land and buildings are freehold, are held in the name of the as at the balance sheet date.
 - ii) The management has conducted physical verification of inventory at reasonable intervals during the year and discrepancies were noticed on such physical verification are dealt appropriately in books of accounts.
- iv) According the information and explanations given to us, the Company has not granted to parties covered in the register maintained under section 189 of the Companies Act, 2013
- v) In our opinion and according to the information and explanations given to us, the Company has not granted loans, made investment or provided guarantees and security for parties covered with the provisions of Sections 185 and 186 of the Act.
- vi) The Company has not accepted deposits during the year and does not have any unclaimed deposits as at March 31, 2019 and therefore, the provisions of the clause 3 (v) of the Order are not applicable to the Company.
- vii) I have broadly reviewed the books of account maintained by the Company in respect of products where, pursuance to the rules made by the Central Government, the maintenance of cost records has been prescribed under section 148(1) of the Act, and the prescribed accounts and records have been made and maintained in respect of the products manufactured by the Company. I have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.

According to the information and explanations given to us, in respect of statutory dues :

- a. The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income Tax, Goods and Service Tax, Customs Duty, Cess and other material statutory dues applicable to it with the appropriate authorities.

- b. There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Goods and Service Tax, Customs Duty, Cess and other material statutory dues in arrears as at March 31, 2019 for a period of more than six months from the date they became payable.
- vii. The Company has not taken any loans or borrowings from financial institutions, banks and government or has not issued any debentures. Hence reporting under clause 3 (viii) of the Order is not applicable to the Company.

NOTES TO THE IND AS FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2019

1 CORPORATE INFORMATION, SIGNIFICANT ACCOUNTING POLICIES & NOTES TO THE FINANCIAL STATEMENTS

A CORPORATE INFORMATION

Venlon Enterprises Limited ('The Company') is a public limited company domiciled and incorporated in India having its registered office at 26-P, Belavadi Industrial Area, Hunsur Road Mysuru - 570018. The Company's shares are listed and traded on Stock Exchanges in India. The Company is engaged in the business of Polyester film, formaldehyde and paraformaldehyde manufacturing industry.

B SIGNIFICANT ACCOUNTING POLICIES

I Basis of Preparation

The financial statements have been prepared on the historical cost basis except for following assets and liabilities which have been measured at fair value amount:

i) Certain financial assets and liabilities

The financial statements of the Company have been prepared to comply with the Indian Accounting standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013.

Company's financial statements are presented in Indian Rupees (₹), which is also its functional currency.

II Statement of Compliance with Ind AS

The Financial Statements comprising Balance Sheet, Statement of Profit and Loss, Statement of Changes in Equity, Statement of Cash Flow together with notes for the year ended March 31, 2019 have been prepared in accordance with Ind AS duly approved by the Board of Directors at its meeting held on 30.05.2019.

III Property, Plant and equipment

Property, plant and equipment is stated at cost less accumulated depreciation and where applicable, accumulated impairment losses. Cost includes expenditure that is directly attributable to acquisition of the asset. The cost of self constructed assets includes the cost of materials, direct labour and any other costs directly attributable to bringing the asset to a working condition for its intended use, and the costs of dismantling and removing the items and restoring the site on which they are located.

When parts of an item of Property, Plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Gains and losses on disposal of an item of property plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of Property, Plant and equipment and are recognised net within "other income/other expenses" in the Statement of Profit and Loss.

Subsequent Costs

The cost of replacing part of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefit embodied within the part will flow to the Company and its cost can be measured reliably. The carrying amount of the replaced part is de-recognised. The cost of day to day servicing of property, plant and equipment are recognised in Statement of Profit or Loss.

Depreciation

Depreciation is recognized in the Statement of Profit and Loss under Straight Line basis over the estimated useful lives of each part of an item of property, plant and equipment as provided in Schedule II to the Companies Act, 2013.

NOTES TO THE IND AS FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2019

IV Intangible Assets

Intangible assets that are acquired by the Company, which have finite useful lives are measured at cost less accumulated amortization and accumulated impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the intangible asset.

Subsequent Expenditure

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure, including expenditure on internally generated goodwill and brands, are recognised in the Statement of Profit and Loss.

Amortisation of intangible asset with useful life

Amortisation is recognised in the Statement of Profit and Loss on a straight line basis over the estimated useful lives of intangible assets from the date that they are available to use based on the estimates made by the management w.r.t the useful life and residual value.

V Inventories

Inventories are measured at the lower of cost (determined using Weighted average method for Raw materials, Stores, Spares and Packing Materials and for finished goods and Stock in Process by considering materials, labour and other related direct expenses.) and net realizable value. Cost comprises the fair value of consideration for the purchase and all directly attributable costs incurred in bringing the inventories to their present location and condition. Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and estimated cost necessary to make the sale.

VI Critical Accounting Judgments, Assumptions and Key Sources of Estimation Uncertainty

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, the disclosures of contingent assets and contingent liabilities at the date of financial statements, income and expenses during the period. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in future periods which are affected.

a) Depreciation / amortisation and useful lives of property, plant and equipment / intangible assets

Property, plant and equipment / intangible assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.

b) Recoverability of trade receivables

Judgments are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

c) Provisions

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgment to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

NOTES TO THE IND AS FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2019

VII Financial Instruments

Financial assets comprises of investments In equity and debt securities, trade receivables, cash and cash equivalents and other financial assets.

Initial recognition:

All financial assets are recognised initially at Fair value plus transaction costs that are attributable to the Acquisition of the financial asset (In case of financial assets not recorded at FVTPL, transaction costs are recognised immediately in Statement of Profit and Loss). Purchase or sale of financial asset within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date.

Subsequent measurement:

Financial asset at FVTOCI(Fair value through other comprehensive income):

Financial assets that are held within a business model whose objective is achieved by both collecting contractual cash flow and selling financial asset and the contractual terms of financial assets give rise on specified dates to cash flow that are solely payments of principal and interest on the principal amount outstanding are subsequently measured at FVTOCI. Fair value movements in financial assets at FVTOCI are recognised in other comprehensive income.

De-recognition of financial asset:

Financial assets are derecognised when the contractual right to cash flows from the financial asset expire or the financial asset is transferred and the transfer qualifies for Derecognition. On Derecognition of a financial asset in its entirety, the difference between the carrying amount (measured at the date of Derecognition) and the consideration received (including any new asset obtained less any new liability Assumed) shall be recognised in the Statement of Profit and Loss (except for equity instruments designated as FVTOCI).

VIII Financial liabilities

Initial recognition and measurement:

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

Subsequent measurement:

Financial liabilities are carried at amortized cost. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

De-recognition of financial liability:

A financial liability is de-recognised when and only when, it is extinguished i.e. when the obligation specified in the contract is discharged or cancelled or expires.

Offsetting of financial assets and liabilities

Financial assets and liabilities are offset and the net amount is presented in Balance sheet, when, and only when, the Company has a legal right to offset the recognised amounts and intends either to settle on a net basis or to realize the assets and settle the liability simultaneously.

IX Share Capital

Equity Shares are classified as equity. Where any shares are issued, incremental costs directly attributable to the issue of new equity shares or share options will be recognised as deduction from equity, net of any tax effects.

X Revenue Recognition

Revenue from the sale of goods is measured at fair value of the consideration received or receivable, net of returns, trade discounts and volume rebates. Revenue is recognised when the significant risk and reward of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated costs and possible return of goods can be estimated reliably, and the amount of revenue can be measured reliably. Transfer of risk and reward vary depending on the individual terms of the contract of sale.

Consequent to the introduction of GST w.e.f. 1st July, 2017 revenue are required to be shown net of GST. Revenue of earlier period are shown inclusive of excise duty, corresponding excise duty included in revenue are shown as separate line item in the statement of profit & loss as expenses to reflect the net effect.

NOTES TO THE IND AS FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2019

XI Employee Benefits

Employee benefits are accrued in the period in which the associated services are rendered by employees of the Company, as detailed below:

a) Defined contribution plan (Provident fund)

In accordance with Indian law, eligible employees receive benefit from provident fund, which is a defined contribution plan. Both the employee and employer make monthly contributions to the plan, each equal to a specific percentage of employee's basic salary. The Company has no further obligations under the plan beyond its monthly contributions. The Company does not have any legal or constructive obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee service in the current and prior periods. Obligation for contributions to the plan is recognised as an employee benefit expense in the Statement of Profit and Loss when incurred.

b) Defined benefit plan (Gratuity)

In accordance with applicable Indian laws, the Company provides for gratuity, which is a defined benefit retirement plan covering eligible employees. The Gratuity Plan provides a lump sum payment to vested employees, at retirement or termination of employment, an amount based on the respective employee's last drawn salary and the years of employment with the Company. The Company's net obligation in respect of the gratuity plan is calculated by estimating the amount of future benefits that the employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. Any unrecognized past service cost and the fair value of plan assets are deducted. The discount rate is the yield at the reporting date on risk free government bonds that have maturity dates approximating the terms of the Company's obligations. The calculation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a benefit to the Company, the recognized asset is limited to the total of any unrecognized past service costs and the present value of economic benefit available in the form of any future refunds from the plan or reductions in the future contributions to the plan.

The Company has an employees' gratuity fund managed by the Life Insurance Corporation of India.

c) Short term benefits

Short term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognized for the amount expected to be paid under short term cash bonus or profit sharing plans if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

XII Finance income and expense

Finance income comprises of interest income on funds invested, dividend income, fair value gains on financial assets at fair value through profit or loss. Interest income is recognised using effective interest method. Dividend income is recognised in Statement of Profit and Loss on date when the company's right to receive payment is established, which in the case of quoted securities is the ex-dividend date.

Finance expense comprises of interest expense on loans and borrowings, bank charges, unwinding of discount on provision, fair value losses on financial asset through FVTPL that are recognised in the Statement of Profit and Loss.

XIII Borrowing Costs

Borrowing costs that are directly attributable to acquisition, construction or production of a qualifying asset are capitalised as part of cost of that asset. Other borrowing costs are recognized as expenses in the period in which they are incurred. To the extent the Company borrows funds generally and uses them for the purpose of obtaining a qualifying asset, the Company determines the amount of borrowings costs eligible for capitalization by applying a capitalization rate to the expenditure incurred on such asset. The capitalization rate is determined based on the weighted average of borrowing costs applicable to the borrowings of the Company which are outstanding during the period, other than borrowings made specifically towards purchase of qualifying asset. The amount of borrowing costs that the Company capitalizes during a period does not exceed the amount of borrowing costs incurred during that period.

XIV Income Taxes

Income tax expense comprises current and deferred tax. Income tax expense is recognized in the Statement of Profit and Loss except to the extent it relates to items recognised directly in equity or in other comprehensive income. Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantively enacted at the reporting date. Minimum Alternate Tax (MAT) is accounted as current tax when the Company is subjected to such provisions of the Income Tax Act. However, credit of such MAT paid is available when the Company is subjected to tax as per normal provisions in the future. Credit on account of MAT is recognized as an asset based on the management's estimate of its recoverability in the future.

Deferred tax is recognized using the Balance Sheet method, providing for temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes.

Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date. Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously.

A deferred tax asset is recognized to the extent it is probable that future taxable profits will be available against which the temporary difference can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

NOTES TO THE IND AS FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2019

XV Foreign Currency Transactions and balances

Transactions in foreign currencies are initially recognised in the financial statements using exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated to the relevant functional currency at the exchange rates prevailing at the reporting date. Non-monetary assets and liabilities denominated in foreign currencies that are measured at fair value are re-translated to the functional currency at the exchange rate prevailing on the date that the fair value was determined. Non monetary assets and liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of transaction. Foreign currency differences arising on translation are recognised in Statement of Profit and Loss under the head 'Other Comprehensive Income' for determination of net profit or loss during the period.

XVI Earnings Per Share

The Company presents basic and diluted earnings per share (EPS) data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders by the weighted average number of ordinary shares outstanding during the period. Where ordinary shares are issued but not fully paid, they are treated in the calculation of basic earnings per share as a fraction of an ordinary share to the extent that they were entitled to participate in dividends during the period relative to a fully paid ordinary share. Diluted EPS is determined by adjusting profit or loss attributable to ordinary shareholders and the weighted average number of shares outstanding for the effects of all potential ordinary shares, which include share options granted to employee if any, to the extent that partly paid shares are not entitled to participate in dividends during the period. They are treated as equivalent of warrants or options in the calculation of diluted earnings per share.

XVII Statement of Cash Flow

Cash flows are reported using the indirect method, whereby, loss before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows are segregated into operating, investing and financing activities.

XVIII Segment Reporting

Operating segments are identified and reported taking into account the different risks and returns, the organization structure and the internal reporting systems. The Company operates through various segments namely manufacture of formaldehyde, paraformaldehyde, polyester film and generation of windmill energy.

XIX Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefit will be required to settle the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risk specified to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognized as finance cost.

A provision for onerous contracts is recognized when the expected benefits to be derived by the Company from a contract are lower than the unavoidable cost of meeting its obligations under the contract. The provision is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before a provision is established, the Company recognizes any impairment loss on the assets associated with that contract.

Contingent liabilities are disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote.

Contingent assets are disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

Exemptions from retrospective application of IND-AS

(i) Fair value as deemed cost

The Company has elected to measure items of property, plant and equipment and intangible assets at its carrying value at the transition date.

(ii) Cumulative translation difference

,

(iii) Long Term Foreign Currency Monetary Items

The Company continues the policy of amortizing capitalised exchange differences arising on translation of long term foreign currency monetary items upto the period ending immediately before the beginning of the first Ind AS financial reporting period i.e. 31st March 2017 as per the previous GAAP.

xxii	The company has accumulated losses mainly on account of depreciation , impairment loss on account of reclassification of asset and foreign exchange fluctuation loss as per Ind AS which are non-cash flow expenditure, and its net worth has been fully eroded. The company has incurred cash loss during the current year and previous year and the company's current liabilities exceeded its current assets as at the balance sheet date. During the year the Company has discontinued operations in its film plant and has given VRS to all the employees. The financial statements of the company have been prepared on a going concern basis during the next one year for the reasons stated below: a) The windmill operations of the Company is expected to continue profitably and is expected to meet the operational expenses of the Company b) The Company is negotiating with other lenders for restructuring the intercorporate loans and External Commercial Borrowings whose repayment is expected to start from April 2020 c) Company has repaid its loans to bank in May 2019.	
xxiii Discontinued operations		
a) Description:	In Septemebr 2018 the Company announced the discontinuation of its operation in Film Segment due to adverse market conditions. The non-current assets of these segments are classified as assets held to sale. Company expects to recover 5% of its original value. All the current assets are expected to realised at the values stated in the Balance sheet.	
b) Financial performance	Sales from Discountined operation during the year is 93.29 Lakhs (Previous year 283.69 Lakhs), Expenses related to Discountined operations Rs 234.63 Lakhs (Previous year Rs 585.56 lakhs). Theses Sales and expenses are included in the respective heads of account in the Profit and loss statement in the financial statements. Loss from Discountined operations during the year is Rs 234.63 Lakhs (Previous year 301.86 Lakhs) Value of Non-Current assets classified as assets held for sale is Rs 324.45 lakhs. (Previous year Rs 139.75 lakhs)	
	c) Company has also stopped the production of its formaldehyde segment from September 2018. However the management is trying to revive the operations in this segment and it is not classified as discountined operations	
xxiv	All the current assets and current liabilites are subject to reconcilliations and Confirmations	
xxv	During the stock verification and stock valuation process during the year 2018-19, Rs 764.51 lakhs of stock relating to formaldehyde were found to be in excess due to errors in valuation and obsolescence of stock. Hence the same is written off during the year and disclosed as exceptional item. The Company is also in the process of strengthening its internal controls and process in the area of Inventory.	
xxvi	Exceptional item includes one time stock write off Rs 764.51 lakhs and VRS compensation of Rs 295.74 lakhs paid to employees on discountining of operations of film plant	
xxvii	Consequent to discontinuance of operations of film plant, plant and machinery relating to film is written down to 5% of the original cost, being the scrap value as estimated by the management of the Company. The management based on its judgement expects to sell these assets at this value during 2019-20. Hence they are classified as assets held for sale valued at Rs 324.45 lacs	
xxviii	Other Comprehensive income include Rs 506.10 lakhs recognised as per IND AS 21 being the exchange fluctuation loss on loans denominated in foreign currency and Rs 1359.78 lakhs being write down of fixed assets relating to film plant on discountinuance of operations	
xxxix	Previous years figures have been regrouped, rearranged, reclassified and restated wherever necessary.
